H2O PROOF LAW ENFORCEMENT PARKA

Prix de vente (TTC): 289,00 CHF

Description:

COMFORTABLE, ALL-WEATHER UTILITY GEAR

In inclement weather the number one priority is staying warm and dry. Constructed from a three-layer windproof, waterproof, breathable material with an Advanta™ inner lining. The secret to our new parkas are the high quality, environmentally safe Bemis seam tapes. Seam tape is the critical link in the chain of waterproof protection and Bemis is the recognized worldwide technology leader in providing thermoplastic films for a myriad of industrial applications. Designed to be compatible with our Polar Fleece Jacket.;
