LIGHTING FOR EXTREMES

## ALL NIGHT ULTRA-LONG RUNTIME WITH THE 21700 BATTERY

A single ARB-L21-5000U rechargeable battery is included. The 5000 mAh battery has a standard USB Type-C port in the neck for fast charging with the included USB Type-C charging cable; easy charging without carrying an additional battery charger.

\* The runtime reaches 49 hours 30 minutes on Eco. Test results were produced by Fenix through its laboratory testing.  
\* The battery comes included with your purchase.
